

Teachers' Medical Scheme has enhanced access to health care for teachers across the country.

Milestones of the Teachers' Medical Scheme

- ✓ Quality access to medical care for over **1,000,000** lives across the country.
- ✓ Ease of access to medical care and portability of benefits with over **500** authorized medical facilities across the country.
- ✓ Facilitation of care under the medical cover within **East Africa**.
- ✓ An average of **5,000** hospital visits per day.
- ✓ Comprehensive wellness benefit that aims to prevent chronic conditions and promote emotional and psychological well-being of teachers.
- ✓ **60** cases evacuated annually for overseas treatment.
- ✓ The first to cover for COVID-19 from the onset of the pandemic, which has provided peace of mind to teachers.
- ✓ **1,000** families on average per year have benefited from death in service benefits.
- ✓ Our case and care management is personalized.
- ✓ **Mental Health services**- Psychosocial tele- counselling services available 24/7 to members through a toll-free line **0800720029**.
- ✓ **Helicopter and Fixed-Wing Air Ambulance and Road Rescue Services** as a stand- alone benefit under the medical scheme.
- ✓ **Maternity benefits - 80,000** births and babies born under the medical scheme since its inception.
